

About Man & God & Law

The Spiritual Wisdom of Bob Dylan

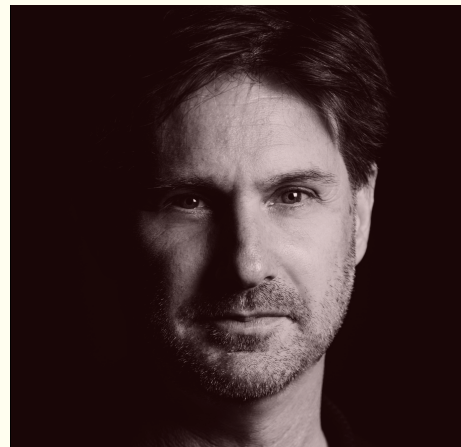

About the Conversations

Many of our assumptions about spiritual intention, sensual pleasure, and the essence of work, community, country, race, and the divine have germinated in Bob Dylan's need to know what's blowing in the wind.

At a time when the world we thought we knew seems like uncharted territory, the book *About Man and God and Law: The Spiritual Wisdom of Bob Dylan* (May 2022) hears 60 years of popular music anew, offering both a map and manifesto for empathy and purpose for anyone seeking a life of meaning inspired by the songs they love.

Author, teacher, and CEO of the Fuchsberg Jerusalem Center Dr. Stephen Daniel Arnoff is now booking communal conversations with spiritual leaders across North America.
